

The **Motorola T900/Unication P900**. Away from your computer doesn't have to mean out of touch. In a meeting no longer means unable to respond. Stay connected to your co-workers, vendors, client, family or friends with the T900/P900. The T900/P900 let you communicate with PCs, PCS phones, pagers, handhelds and other 2-way devices or any e-mail address virtually anywhere.
